Serving

Mission work is a passion for our church, helping to make a difference in our community, our country and the world

Our Clintonville Food Pantry tables fill up fast! We participate in Operation Christmas Child by filling shoeboxes for little children all over the world.

We send our youth on mission trips where they use their faith, energy, and compassion to help others.

We believe Jesus Christ has called us to spread the Good News by serving those who are less fortunate than we are.

How are we inspired to care, to love and to grow?

Through worship, prayer and the encouragement and support we give each other. We have two prayer chains and we appreciate the opportunity to pray for others, to send cards, to call and to visit the sick, the grieving and the lonely.

We would love to have you join us
